# QUEENS

A QUEEN POSSESSES A DISTINCT NATURAL BEAUTY, A SPECIAL FRESHNESS, AND A NOTICEABLE RADIANCE. SHE IS A PORTRAIT OF ELEGANCE, A PICTURE OF CALMNESS-ALWAYS AT EASE WITH HER ADMIRERS.

REFINED QUALITIES, EACH INDIVIDUALLY SUITED TO COMPLIMENT THE OTHERS, ARE INTERWOVEN TO FORM HER PERSONALITY. THEY SUPPLY HER WITH A SPECIAL GENTLENESS THAT MAKE HER ALL THE MORE ELEGANT. SHE ADDS FLAVOR TO ANY OCCASION FOR SHE IS FOREMOST A WOMAN AND THEN A QUEEN. . AND AN INSPIRATION TO ALL MANKIND.

# Miss Saint Augustine's College

NANCY  
ELIZABETH  
OTEY

Flowers blossoming in the summertime, leaves propelled by the breezes of early autumn, the soft snowdrift of mid-December, and the new growths in the freshness of spring—these are expressions of beauty as is Nancy Otey, Miss Saint Augustine's College 1972. Poise, charm, and an awareness of what is has made her the vibrant young woman we chose to be our queen.

Nancy hails from Washington, D.C. and is a senior majoring in English. She is an active member of Alpha Kappa Alpha Sorority, Alpha Kappa Mu Honor Society and various other organizations.

# STUDENT LIFE

# STUDENT GOVERNMENT ASSOCIATION

The Student Government at Saint Augustine's College is designed to provide a medium through which student opinions, thought, and needs are expressed; to receive criticism from the proper authorities of the institution and forward it to the student body with the SGA's recommendation and/or endorsement; to act as an intermediary between the student body and administration and to have the power to make recommendations impartially except in the case of moral turpitude.

The SGA holds membership in several associated student governments, mainly Black Students United for Liberation (BSUL) and Student Organization for Black Unity (SOBU).

The many activities which the student government has presented and/or plans to present reflect its desire to provide a well-rounded program for the student body.

Zana Walker, President of the SGA

The year 1971 was a year of many changes. The spring of 1971 witnessed the election of Zana Walker as president of the Student Government Association of Saint Augustine's College. It also witnessed the revamping of the SGA constitution and the ratification of the present constitution which became effective at the beginning of this school year, 1971-1972. It is our hope that more student participation will result because of this document thus assuring better representation by means of a more effective governing body.

The constitution calls for a breaking down of the government into three specific bodies-the Executive Branch, the Legislative Branch, and the Judicial Branch. This is a first for Saint Aug' and a big step toward better government. Let us hope that the Student Government here at Saint Augustine's College will truly become "THE VOICE OF THE STUDENTS".

SEATED (LEFT TO RIGHT): Zana Walker, President SGA, Oliver Workman, Vice-President, Michael Jones, Business Manager, Gardenus Morant, Secretary. STANDING: Preston Simms, Public Relations, Linda Fuller, Campus Activities, Patricia Wiggins, Assistant Secretary.

The true joys in life are not things con-  
fined or imagined. . .they are exper-  
iences resulting from hard work, desire,  
and determination. . .and they include  
tangible and intangible factors.

"Forget the time element. . .and the place. . .we are content just sittin' back watchin' the  
FALCONS do their thing."

Registration is a tedious process. You find yourself going through numerous lines. . . almost knowing that at least one set back will occur. . . there's the actual registration line, the financial aid line, and the line where you pick up your ID mug shot. . . it can be quite a hassle.

After having been officially enrolled, it's leisure time. You make new acquaintances and mingle with the masses. . . wishing classes didn't start on Monday.

"Take a BC powder and get plenty of sleep," he must be thinking. The weekend was too much...booze, booze, booze...or could it be that she kept him up past his bedtime last night. Whatever the case, he's content just sittin' there trying to catch up on his sleep.

Leisure time for the intellectuals often consists of PINOCHLE, SPADES, BID-WHIST, DIRTY HEARTS ...you name it, they play it. Gettin' over means you have to play your CARDS right.

Pat lights up before she brings her smoker in...and it's a real "smoker-roker"...Cheryl waits impatiently for someone to lose.

"It's a pretty good trump...but, if my partner doesn't have any melt, I know I ain't gettin' this bid!"

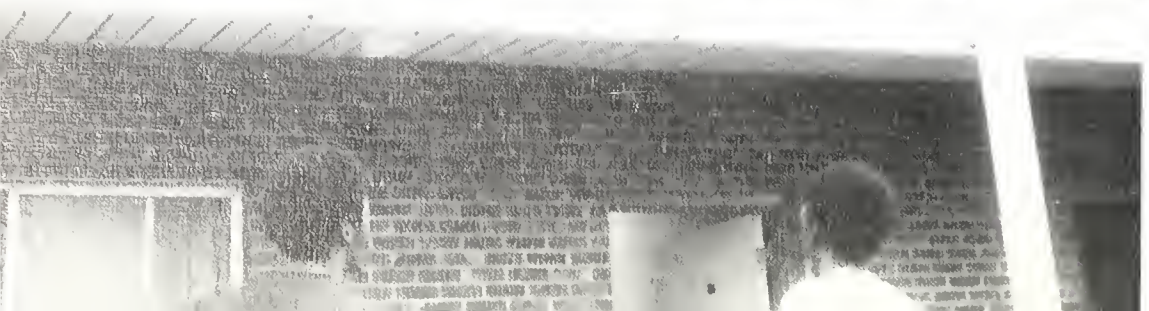

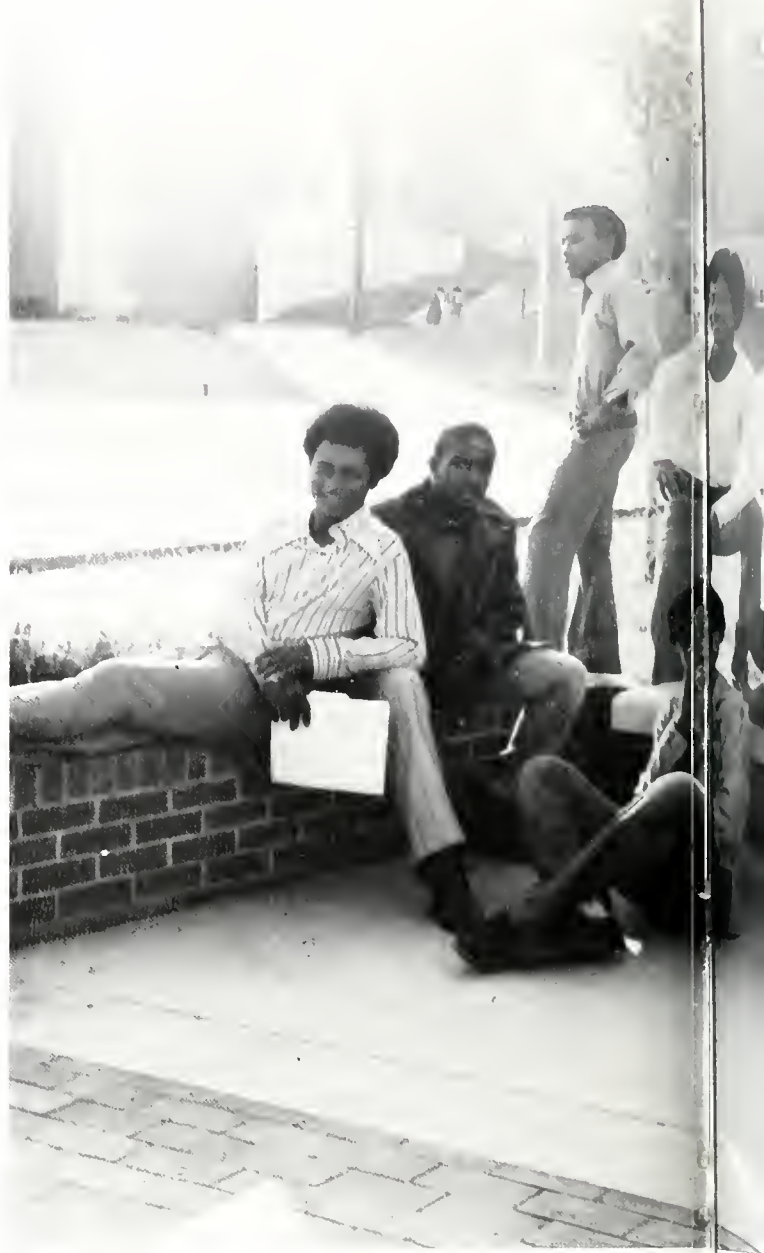

Brothers under the sun...profiling! Spider, you ought to cut that stuff out.

. . . The Minds of the AUG

Joseph "SHAFT" Mack takes time out to pose with Weas' and Otey.

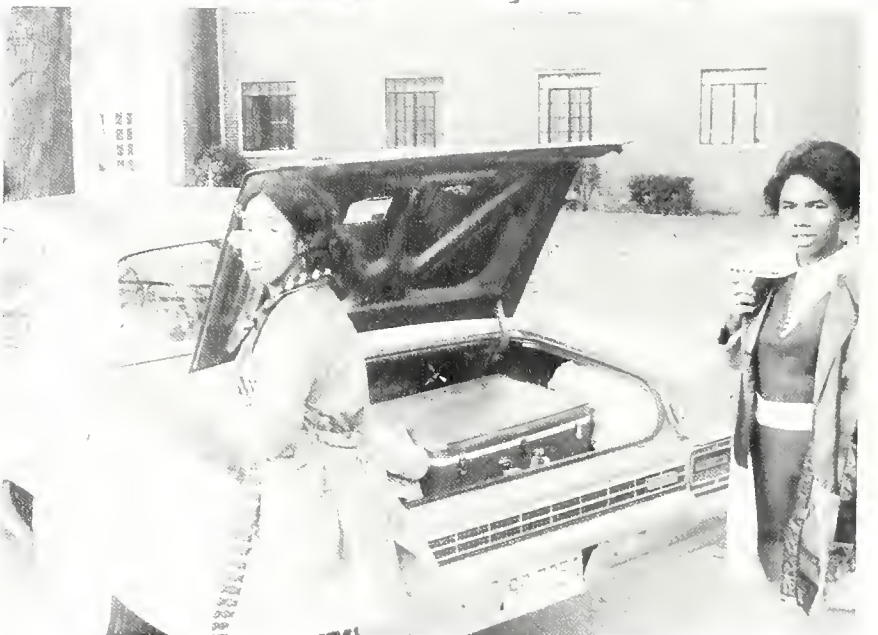

"Work, work, work! That's all I ever do. When do I get a coffee break?"

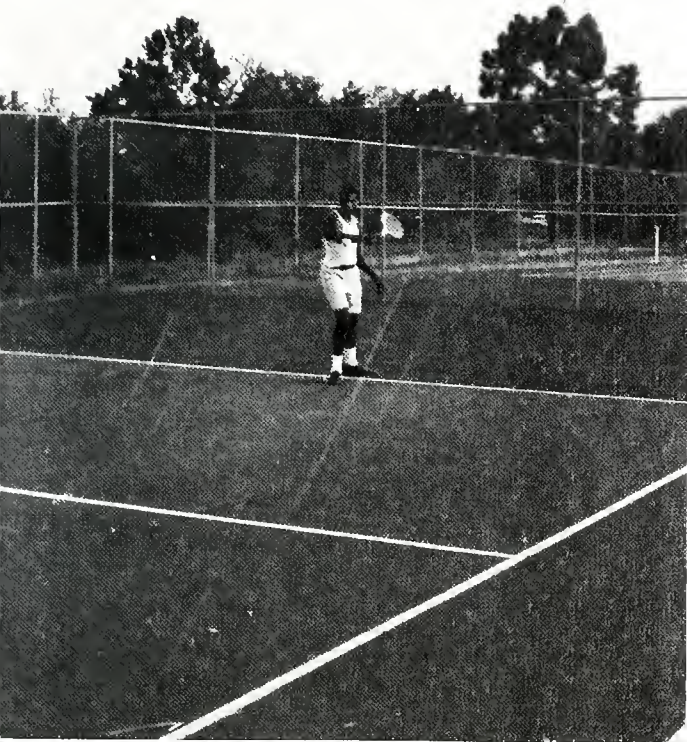

The Ice Man, Frank Colebrook, on the move. What did you say, Frank? "Like man, we're just diggin' the scenes...and ooh, these two do brighten up a fellow's day!"

Got a guy back home, Huh? I know you must be a smooth operator . . .

WHAT'S HAPPENING? STA all the way! It is foremost a House of the Intellect, a place where you and I have come to further our education. It is an institution designed to help us fully cultivate our minds.

Saint Augustine's is full of all types of students- from the average to the intellectually elite.

WHAT'S HAPPENING BROTHERS AND SISTERS? STA all the way! ...It has its beauties and its beats and its pests. It has people who like to feel good- "Can I take you higher" -people who enjoy some of the finer things in life... Boone's Farm, Black Bull, Richard's and Ever Clear... Coke, Sprite and grade A Milk... and people who like to take trips.

Talk, talk, talk, talk, talk, talk ...everytime I see Ollie she's running her mouth!

Saint  
school  
cons.  
Zaps  
ence

Saint Aug... the "Big Family"  
school... land of the Mighty Fal-  
cons... the Wines... and the Phi  
Zaps... an unforgettable experi-  
ence...

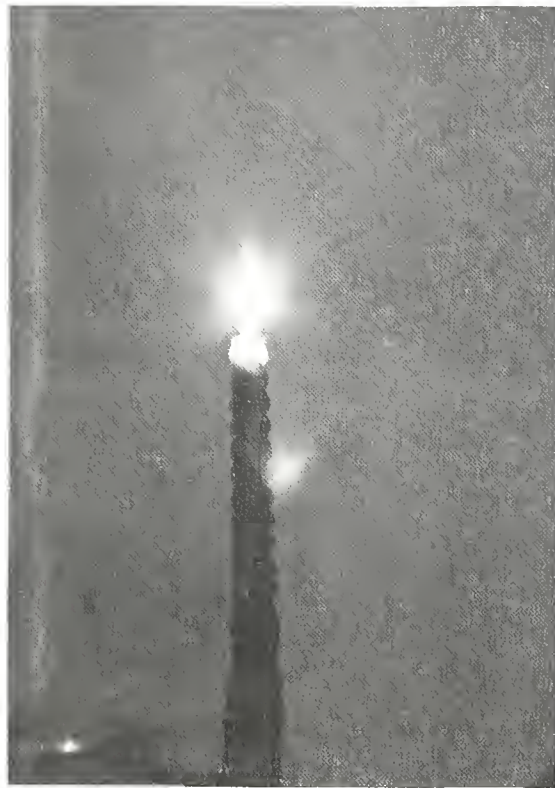

"It's awful hard gettin' up for that 8 O'clock class on Mondays. The weekend's left me with a head-  
ache and dire need for sleep. I guess I'll go, through, and hope for the best...!"

# ACTIVITIES

# 105th Convocation

October 19, 1971: President Robinson speaks on the subject, "St. Augustine's College in the Seventies-Alternatives to Disaster."

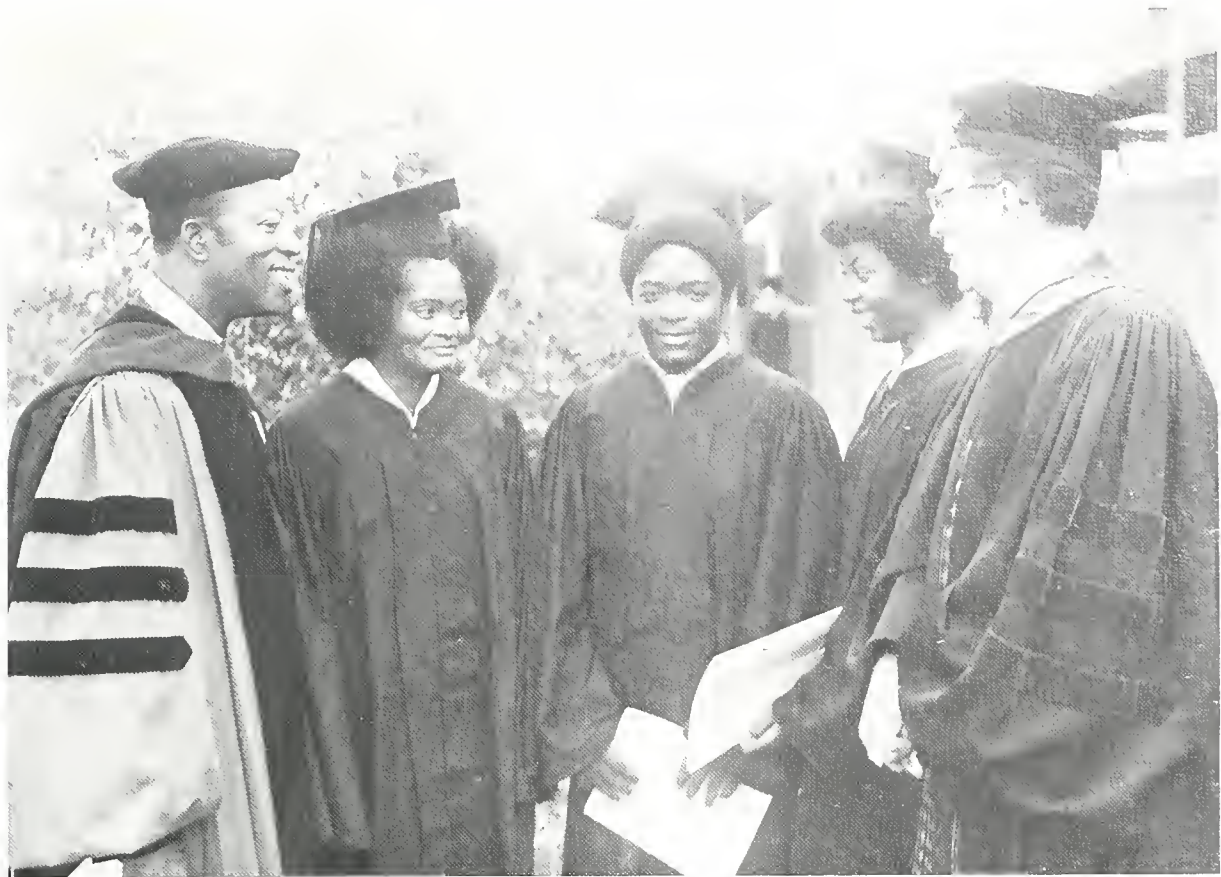

"Whether we are able to survive during this decade or this century, will in my opinion, depend upon the sincerity of the national leadership of this country to create a more just, humane, economic and social order."

"The imminent danger of the high American ideals does not rest among the enemies on foreign shores-and I do not minimize this danger, but it lies within our own midst and is represented by those who would attempt to defent a society that is fragmented and by those who would try to preserve a system that is oppressive and denies human liberty."

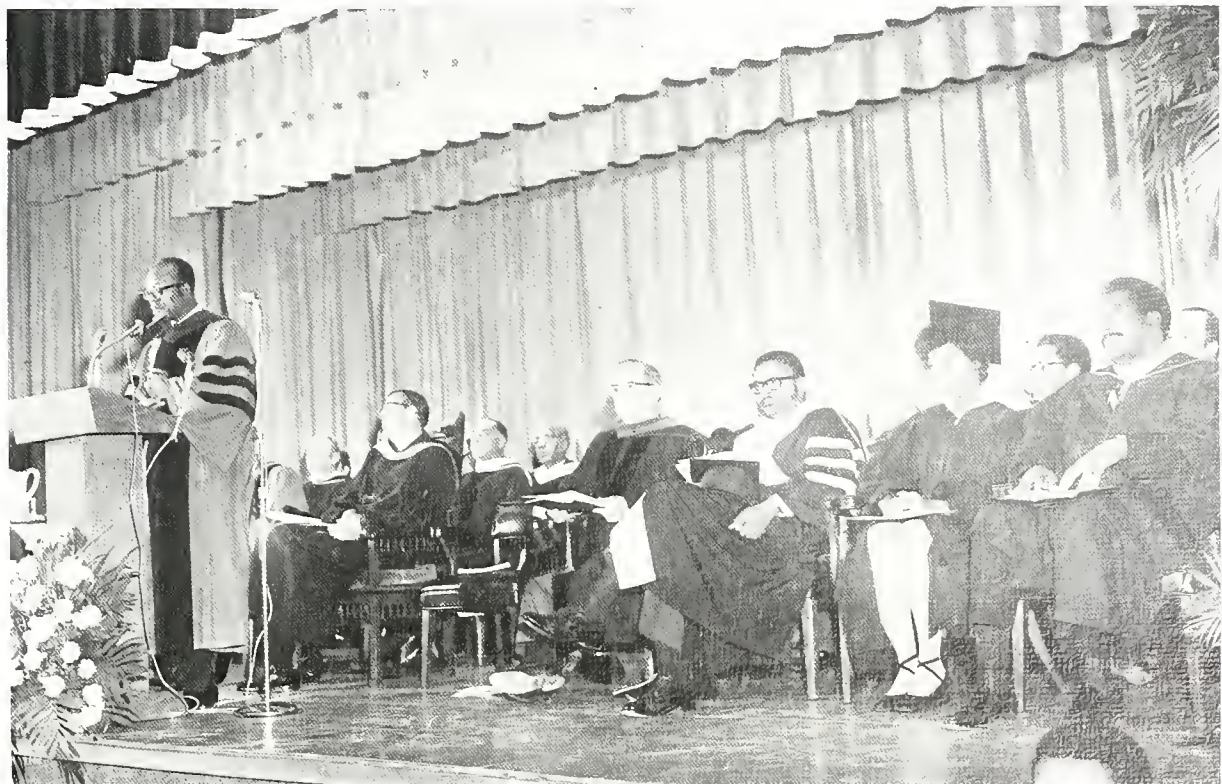

Dr. P. R. Robinson, 105th Convocation Speech

GOOD LEADERSHIP IS THE HOPE OF THE WORLD. It is also the hope of Saint Augustine's College and its student enrollment. It is the key to meaningful communications between one segment of a particular society and any other segment of that society. In the formal induction ceremony of the Student Government, Dr. Robinson installed newly elected officers who will serve during the 1971-1972 academic year... Leaders whom we hope will voice student opinion to the administration, carry on their duties with a responsible attitude and bring the student body together. It is this type of leadership that we need in order to fully develop ourselves both socially and intellectually for we are tomorrow's leaders.

Mr. Michael Jones escorts our lovely queen, Miss Nancy Otey.

## Bobby Seale Speaks

Brother Bobby Seale raps to Brothers and Sisters of the Aug. With him are members of the Winston-Salem branch of the Black Panther Party.

On November 15, 1971, Brother Bobby Seale, co-founder of the Black Panther Party, lectured on what the BPP was doing for the black community. He stressed the importance of supporting the "Survival Programs" incorporated by the Black Panther Party. These programs revolved around supplying food and other necessities to the needy blacks in various areas. He described conditions as they exist in the United States and explicitly stated that we as a "BLACK MINORITY" must pull together if we are to survive in this country.

Bobby Seale raps hard about the BPP's Survival Programs.

The Motto of the Fraternity is "Culture for Service and Service to Humanity." ## Gamma Sigma Sigma

The Constitutional Convention of Gamma Sigma Sigma Sorority was held at the Beekman Tower in New York City on October 12, 1952. For three days girls at the first convention devoted their time devising a national constitution acceptable to all. It was hard work, but those present at the meeting were determined to produce a constitution worthy of the principles of the group.

The purpose of this sorority shall be to assemble college and university women in the spirit of service to humanity. It shall serve to develop friendship among women of all races and creeds through work side by side and through the fulfillment of those goals common to all. The sisters here at the "Aug" strive to put their motto, "UNITY IN SERVICE", into their everyday life.

Today there are over fifty thousand members and more than three hundred chapters in forty states and the Republic of Haiti and Liberia. On January 12, 1963, at its fiftieth anniversary celebration in Washington, D.C., President John F. Kennedy, the guest of honor, congratulated the organization on its service to the country.

These seven students are known to members of the fraternity as Jewels. Their courageous act was the initial step toward forming other fraternities.

The ideas and principles upon which this fraternity was founded influenced many great men to join. Besides brotherhood, APA is based on knowledge and achievement.

## Pen Staff

Julius Whitaker, Editor

"The Pen" has entered a new era in that it is now becoming a much more effective communicating device between the students and their peers, the students and the administration and Saint Augustine College and the "Black Community" of which we are an integral part. It is our wish that within the lines of the Pen, those constructive ideas of the students and others be expressed to the fullest for these ideas are those of tomorrow's leaders, ideas that may further solidify the unity of black students.

The success of the Pen has been and will continue to be dependant upon a number of individuals-the minds of the AUG is the core of this publication. Mrs. Keck, Director of Publicity, has supplied us with a large portion of the pictures used in each edition. Mr. P. R. Jervay and the staff at the CAROLINIAN must recieve recognition for having printed each edition. Mr. James Burt, who advises the staff, has been just tremendous. Teamwork at its best has been the key...for the staff has worked hard and for long hours trying to get "THE PEN" to press on time. The Pen is the voice of the students.

Webster defines task as- a usu. assigned piece of work often to be finished within a certain time. I would define it as the act of putting the 1972 edition of the FALCON YEARBOOK together with somewhat of a new look along with traditional appeal. It has indeed been quite a task... and yet, it has been a pleasure.

We started out aspiring to produce an annual worthy of serving as the ultimate recollection piece in the years to come. CREATIVITY & IMAGINATION- these were things we kept in mind as we conceived the FALCON. Idea after idea was analyzed and its suitability determined... for we knew our aim. We were seeking to put on display, what one might consider, "the expressions of the AUG," Depiction of the mood and manner of the students was our number one priority. We feel that this idea has been carried out to a large extent.

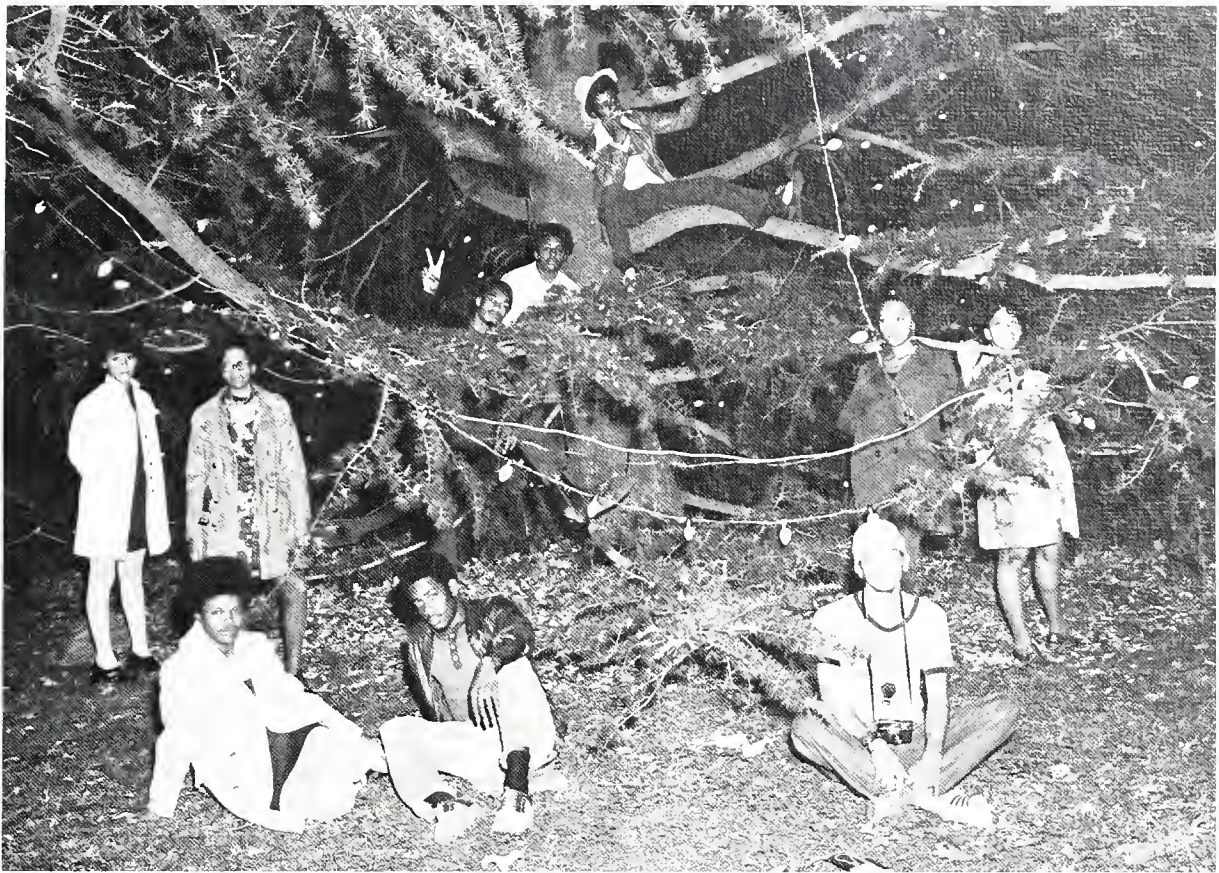

The individuals who contributed to this publication are too numerous to be mentioned one at a time. The bulk of the thanks must be extended to the staff for their tireless efforts when deadlines were closing in on us. Mr. James E. Burt has been the greatest advisor and Mr. J. D. Hinton and Mr. Robert Lawson must be congratulated for their expert photography.

Our hard work has been the key to the production of the largest FALCON yet-224 fun-filled pages. It is now yours to enjoy and to cherish for it is composed of you.

BOTTOM ROW (Left to Right): Ron Richardson, Clifton Faison, Wendell Sport, William Fleming, Curtis Pritchett, Elisha Clarke, Larry Williams, Head Trainer. MIDDLE: Lloyd Merriman, Earl Brown, Brian Collier, Harvey Johnson, Edgar Berry, Walter Leggett, Charles Montague. UPPER: Lacy Flintal, James Cotton, Sam Wade, Cecil Ross, Charlie Cannon, Farley McGill, Vincent Collins.

When you're hot, you're hot...and oh, the Falcon machine is red hot! With more sharpshooting, a much improved defense, and a lot of hustle, a much improved edition of the Falcons have taken the floor this season and, having a bunch of guys with good credentials, the results have been none too surprising.

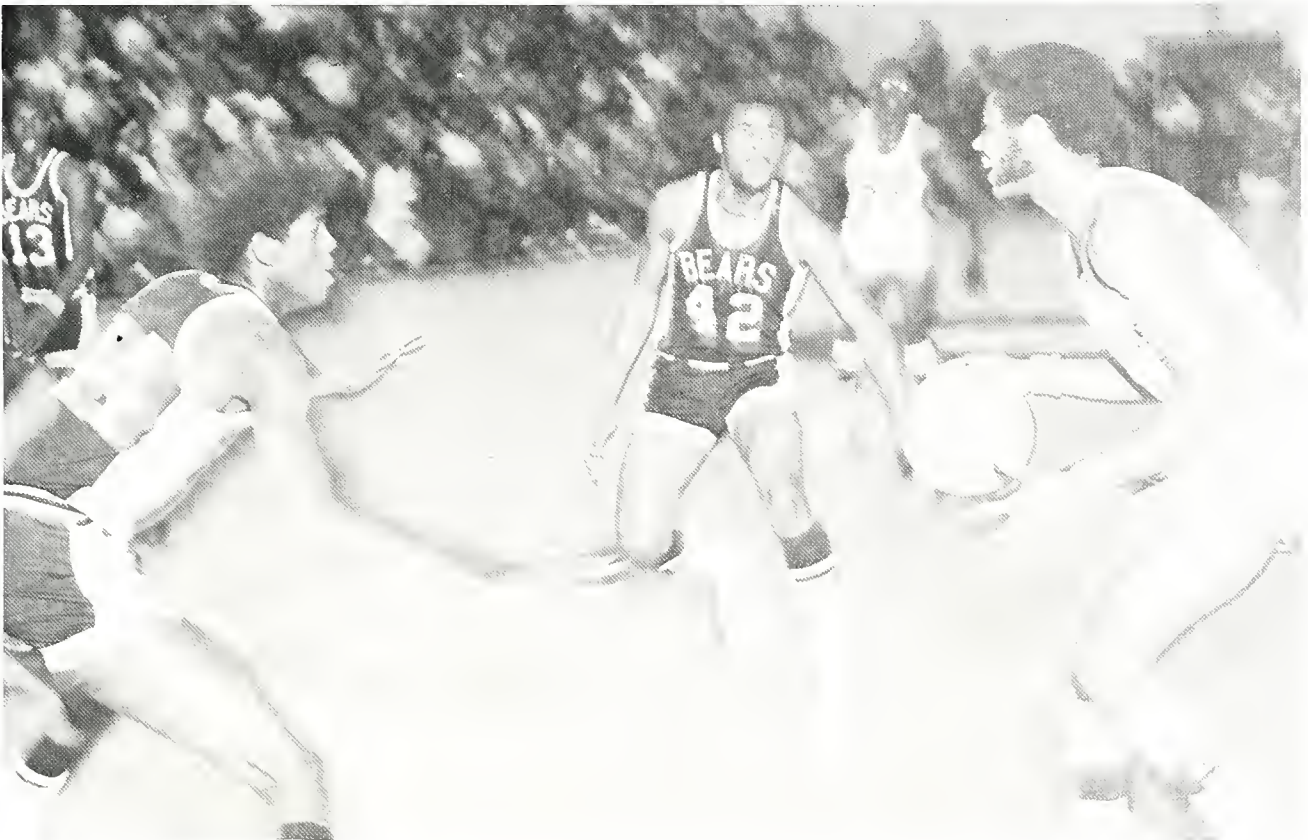

A combination of the little things along with a big plus factor-the addition of a coach with reputable credentials-have brought increased enthusiasm. Wheelin', Dealin'...the crowd squealin'..."Rake that ball! Take that ball!" That has been the name of the game.

A starting five consisting of Lloyd Merriman, Lacy Flintal, William Fleming, Charles Montague, and Curtis Pritchett, has been tremendous on both ends of the court and an able supporting cast has been superb. With such great personnel, no challenger is too great to be met in a head-on collision and no obstacle too great to overcome for the MIGHTY, MIGHTY FALCONS have arrived.

Senior guard Wendell Sport puzzles the defense... Will he shoot or pass... He makes his move... To the left and then to the right... He spins and shoots two... Hitting nothin' but bottom as Falcon crush Livingstone!

If you think "Earl the Pearl" is exciting, watch this bad mother..... (Shut your mouth!). Charles Montague is the real thing.

Lacy Flintal penetrates for two points in this game against Saint Paul's College. His driving ability and hustle, along with his deadly outside jumper makes him a big asset to the Falcon squad.

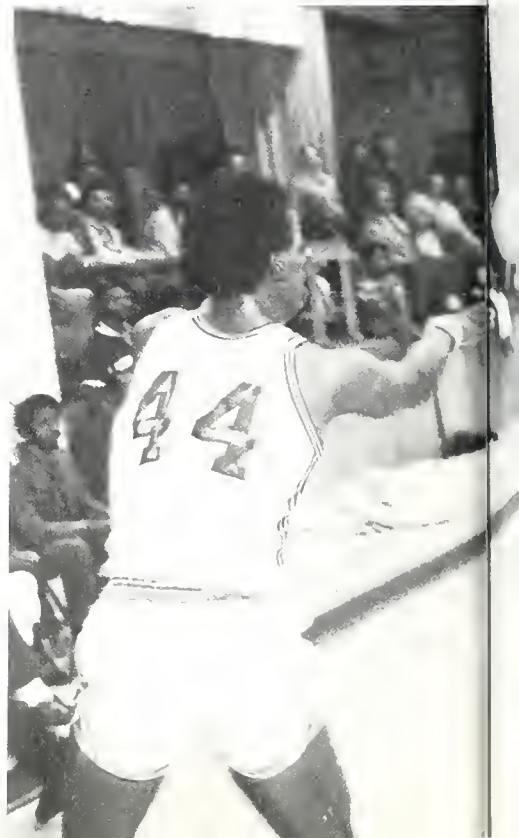

Lloyd Merriman and Harold in an early CIAA Contest, shows much potential on

Curtis Pritchett ("SARG") and Lloyd Merriman crash the offensive boards, Falcon won the game 109-92.

Falcons keep the ball moving as they set up for a good shot.

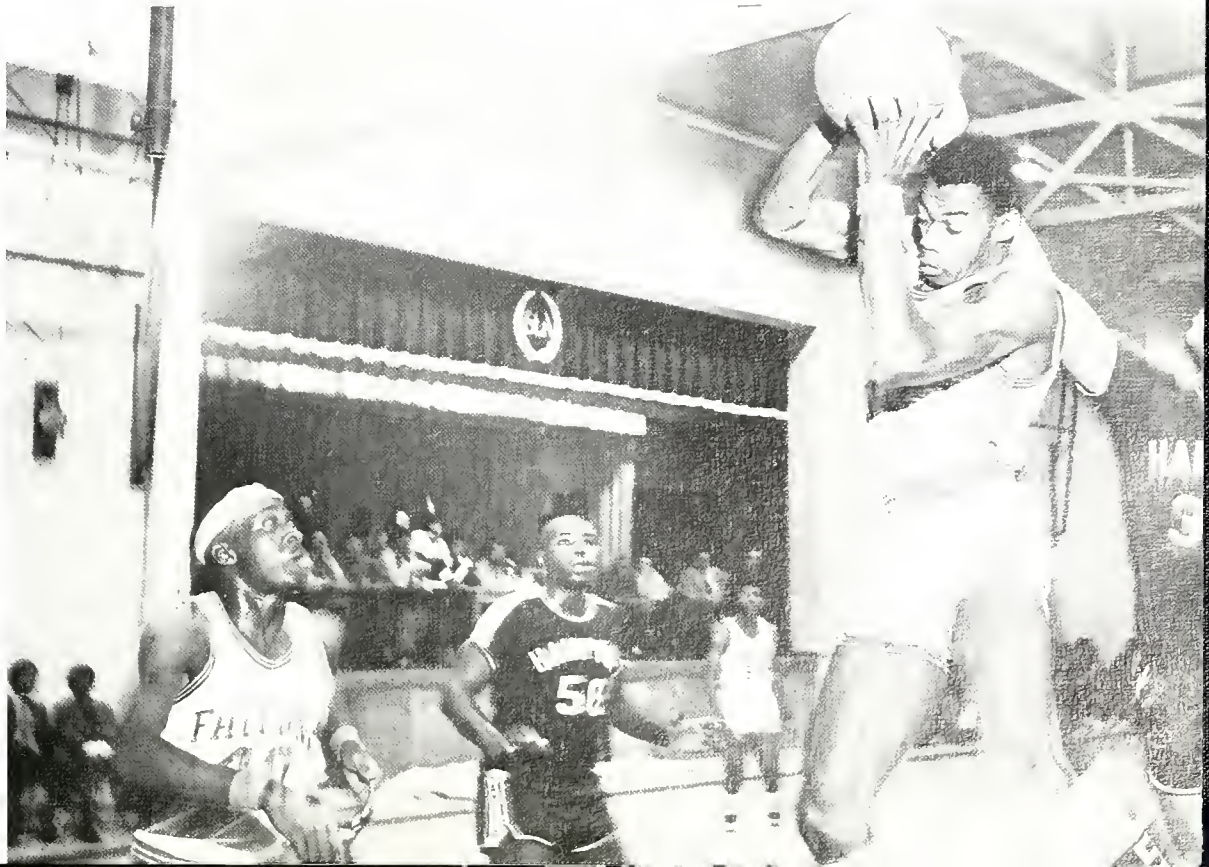

Kitt fight for the ball  
Merriman (No. 44) has  
both offense and defense.

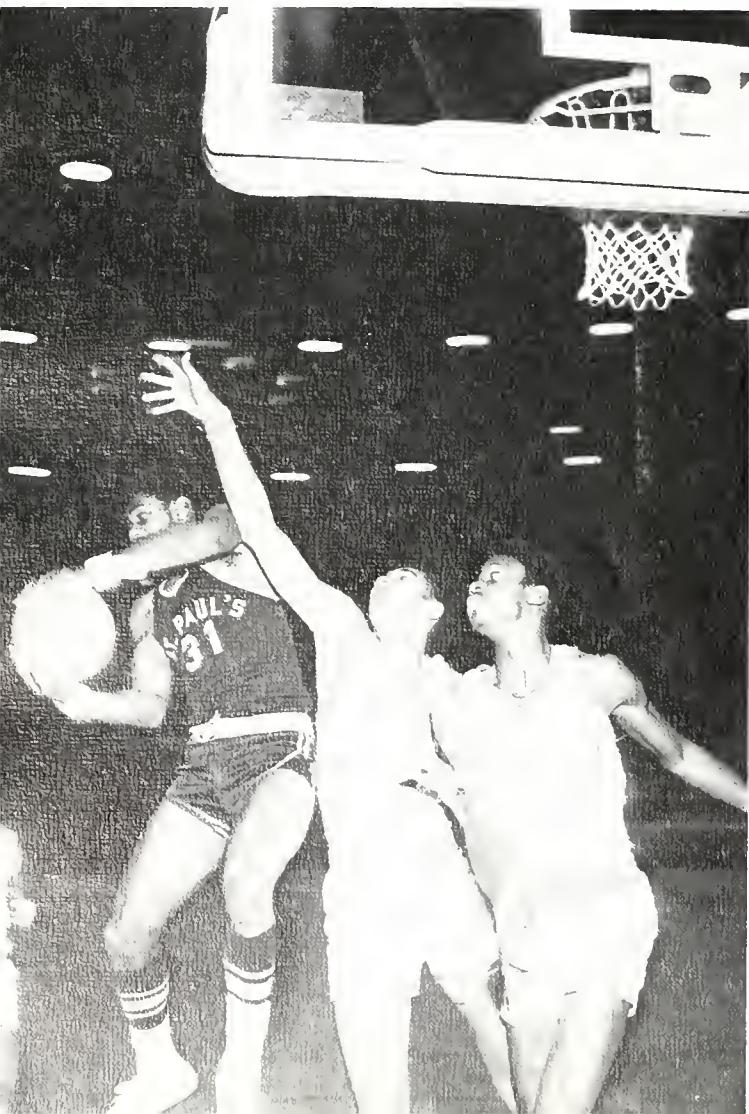

Charles Montague has been a sparkplug in our game this far. His all-around play has ignited rallies and brought crowds to its toes.

Prichett leaps for a rebound. He's equally as aggressive on offense.

Coach Heartly discusses strategy during game as assistant coaches Harvin and Williams look on. Heartley is an inspiration to the entire team—a coach of the highest caliber.

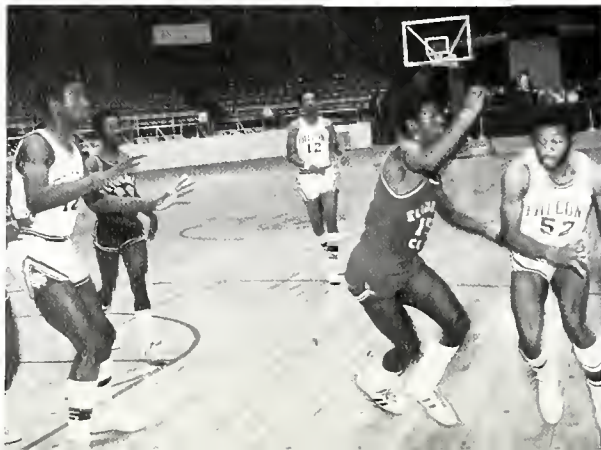

Ron Richardson and Clarke hustle for a rebound

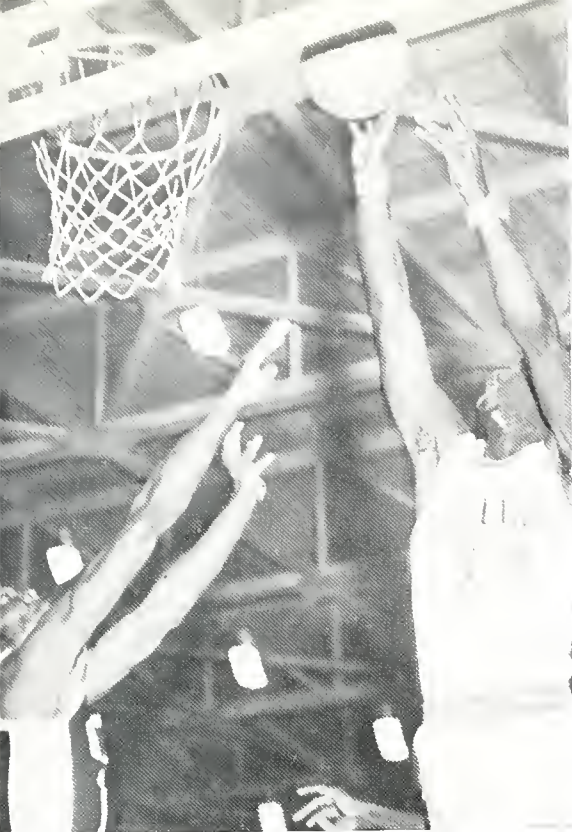

Merriman seems to say, "This rebound is mine". Get down ECSU Viking!

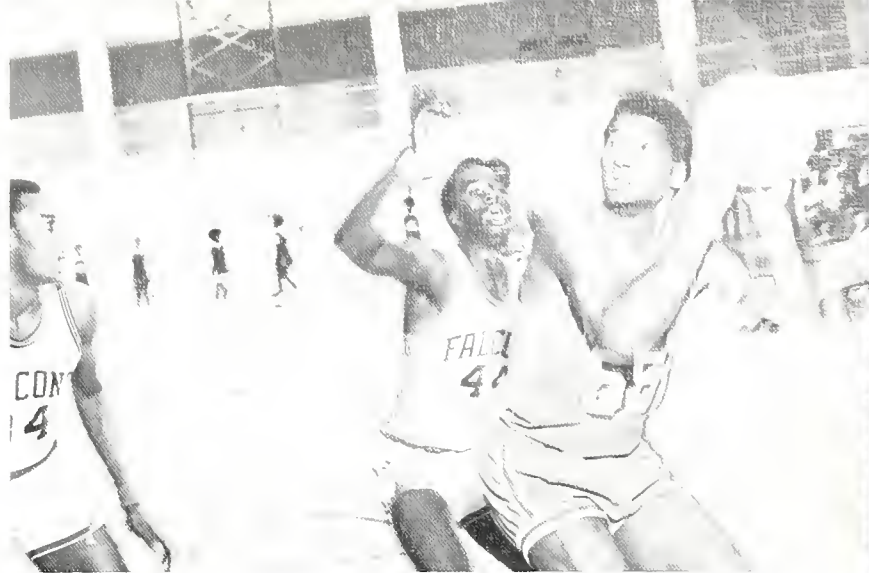

Act one was great... Act "TWO" is coming up.

Merriman drives for two more points. He's a tower of strength on the boards.

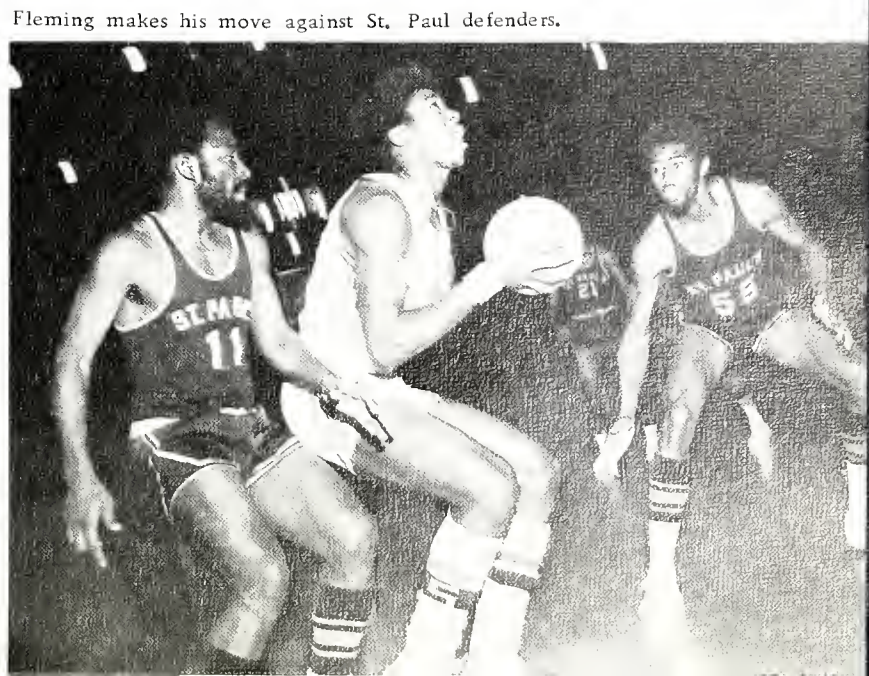

Fleming plays super defense as Prichett and Merriman close in... Looks like personal foul #2.

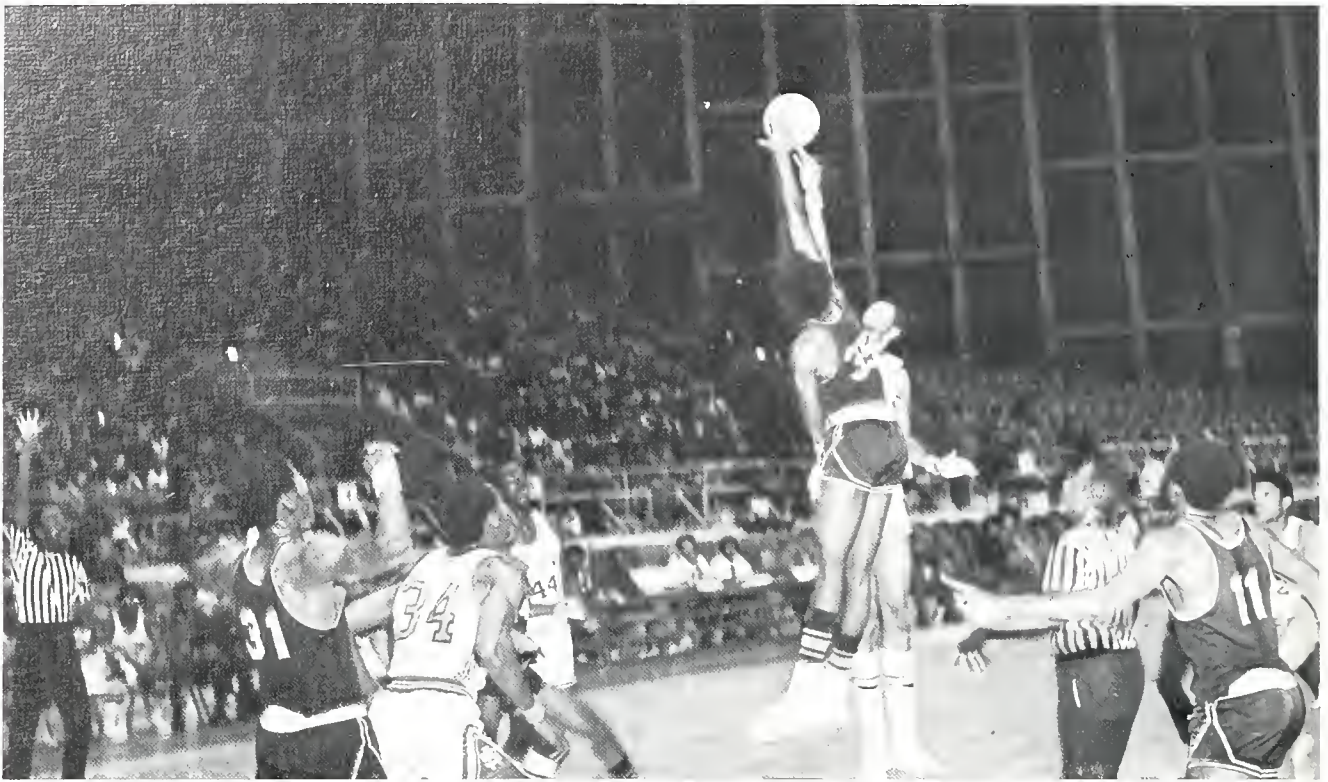

Ray Haskins is closely guarded by Montague. Montague is a very unselfish player... a complete ball-player.

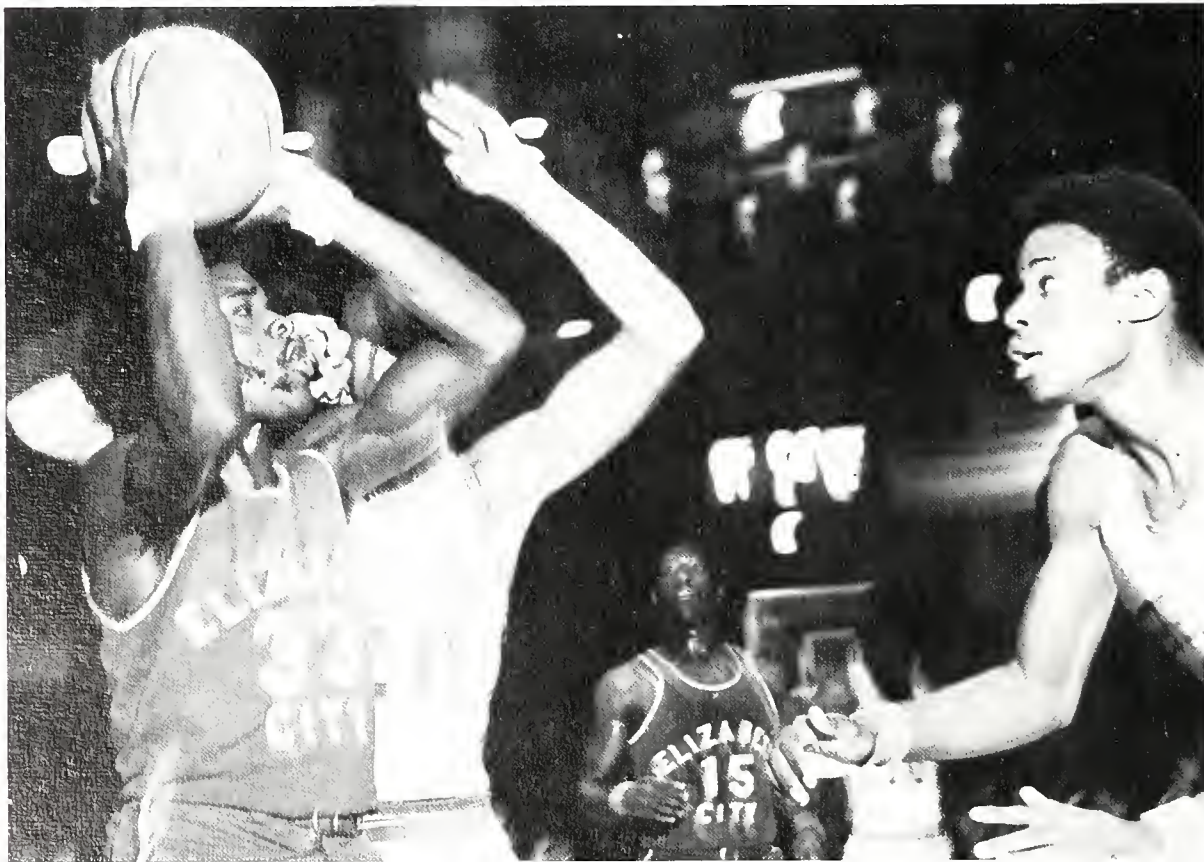

"Lightweight" challenges the defenders. A three-point play is in the making.

Fleming makes his move against St. Paul defenders.

Harvey Johnson jumps center as teammates wait for the tap. He has shown a lot of potential and with continued improvement, he should be a mainstay on the squad.

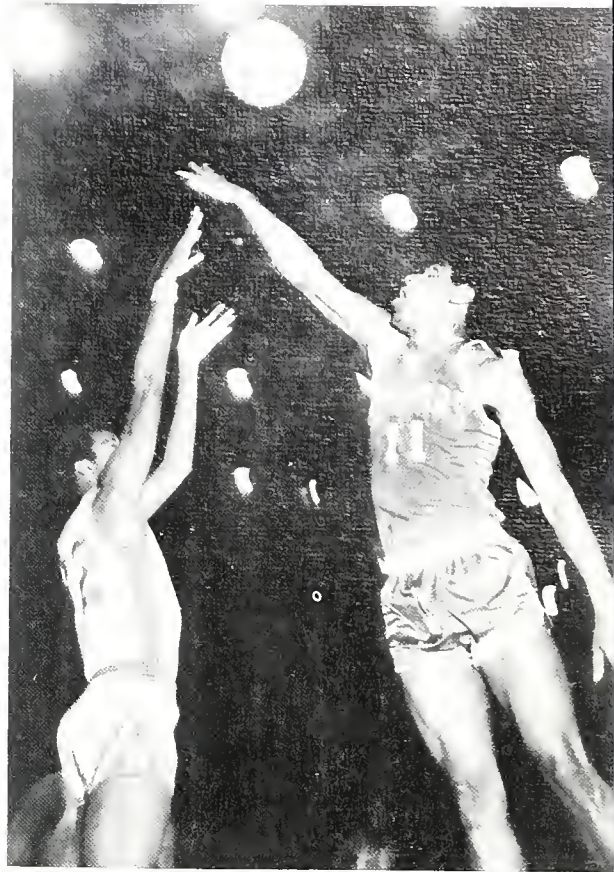

Ronald Richardson, No. 20, and Elisha Clarke converge on an ECSU player. Clark may be the most improved player on the team

William Fleming drives for two points...the Falcons came from behind to defeat the Winston-Salem State Rams 88-73. Fleming is a demon on both ends of the court and yet, he is probably one of the most underrated players in the CIAA. He has the potential to make it big in the "PROS".

Curtis Pritchett has been our big gun for the past few seasons. Our offensive attack has revolved around his play in and around the key. His great desire to excel and his accomplishment this are reasons enough for his being voted "ALL CIAA". At right, he drives on Utley during Christmas Classic championship game. Falcons won 105-104 as Pritchett hit a career high 42 points.

Harvey fires two from downtown Burbank!

The Falcon booters are again a team to be reckoned with. A crafty ball-hawking defense and a potent offense are the reasons that it is so. The defense, led by Chester Newsome, clicked at top efficiency as we won a series of games.

The encounter with Howard University, a team that later won the NCAA Championship, was a hard fought game. And though we lost 8-7- we did not slow down... In the opening round of the NAIA District 26 Soccer Tournament, the Falcons defeated the Guilford College team 3-2. In the finals, we bowed to Belmont Abbey 3-2 (the officiating was questionable!). We should have of lot of returning players next season... hope the season is as profitable!

Coach Curry Discusses strategy with team players during game held on Emery Field. Falcons won the game as the defense shined.

Goalie Chester Newsome guards the goal. The defense gave the opposition little opportunity to score.

A CLOSE GAME CAN BECOME A WIDE OPEN AFFAIR AT ANY POINT IN THE GAME. HERE, FALCON BOOTERS HEAD UPFIELD AS THEY MAKE AN OFFENSIVE MOVE.

DEFENSE IS THE NAME OF THE GAME. FALCON STAR GILPEU INTERCEPTS A PASS BELOW. THIS TYPE OF DEFENSE HAS KEYED NUMEROUS OFFENSIVE EXPLOSIONS.

# Tennis Team

LEFT TO RIGHT: Wade Williams, Tommy Cox, William Watson, Leon Carrington.

The Falcon tennis team hopes to improve their good showing of last year... and the returnees from last year's squad are likely to make this a reality.

Wade Williams has to be considered the big gun. We look to him for leadership which is necessary if one is to be a winner. Leon Carrington has to be relied on heavily too as do Tommy Cox and William Watson. They should receive reliable backup from freshmen and others who are likely to try out for the team.

# TRACK

LEFT TO RIGHT (FIRST ROW): Ronald Ritter, Alfred Lucas, Joseph Silver, Olie Dunston, Phillip Adams. SECOND ROW: Norman Harris, Edward Williams, Freddie Pretty, Tommy Poindexter, George Simons, Frank Colebrook.

Bam... They're off... Falcons are only one point ahead... This race will decide the track meet... the runners break even on the curve... Foot to foot on the straightaway... Falcon Alfred Lucas stretches and breaks the tape... And Saint Augustine's opens up another dynamite track and field season.

# BASEBALL

LEFT TO RIGHT (FIRST ROW): Henry Douglas, Robert Green, James Johnson. SECOND ROW: Donald Sessoms, Willie Foreman, Charles Williams, Robert Adams, Jarvis Stokes. THIRD ROW: Jeremiah Robinson, Joseph Mitchell, Leroy Soney, Clyde Custalow, Clarence Strayhorn. FOURTH ROW: Mr. J. H. Twitty, Head Coach, Howard Moses, Curtis Frank, Melvin Dove, Clarence Fortez, Assistant Coach.

The Falcon Baseball squad should be a much improved one this season. There is a lot more depth in both the pitching and fielding departments. Melvin Dove, a native of Pollocksville, N. C., should add a lot of fire-power to the pitching staff. Returning pitcher, Troy Clark, is a sure bet to win more games... added experience should be his key to success. Other returning players and freshman prospects should mold the team into a winner.
